

REGARD
Elderly Care

Keeping Your Loved Ones Healthy, Always

Powered by **Liivlong**³⁶⁵

Because Every Stage Requires Compassionate Care

Wish you could
be there for your
parents, every step
of the way?

Concerned about
how your parents
are managing on
their own?

**Hoping for someone you
can trust to care for your
loved ones?**

**Wishing for peace
of mind, knowing your
parents are in good hands?**

**AGING ALONE
SHOULDN'T
MEAN FACING
RISKS ALONE**

*"That's why WE are here to
be the support system
you can count on"*

Introducing

REGARD

REGARD Elderly Care Program

Features & Benefits

SOS Helpdesk

Supported by a dedicated 24/7 helpdesk for emergencies

Device based SOS trigger

A wearable device that triggers an SOS alert to our Emergency Response instantly in case of any emergency.

OPD Benefits

Take advantage of our doctor consultation, lab tests, medicines and homecare services for your well-being.

Monthly Home Health Check-up & Assessment

A comprehensive evaluation of your health to identify any potential concerns.

Dedicated Health Care Manager (HCM)

A single point-contact for all your parental healthcare needs, providing:

- ✔ Monthly physical visit
- ✔ Monthly virtual call
- ✔ Maintaining health assessment reports
- ✔ Sharing regular health updates
- ✔ Extending Healthcare based logistical help

DID YOU KNOW?

Emergency and injury cases account for **9-13%** of all patient visits to healthcare facilities in a year¹.

75% of the elderly people in India suffer from chronic conditions and **40%** are living with disabilities².

In India, every year **1 million** people experience complications from falls, leading to loss of life³.
